

Multi Showcase Help:

1. Adding Category:

Login

i Please login with your provided user name and password.

Username:

Password:

Log In

Click on **Showcase Manager** to open dropdown and then click on **Manage Categories**

The screenshot shows the 'iis ADMIN' interface with the 'Installed Modules' dropdown menu open. The 'Showcase Manager' module is highlighted with a blue border, and its dropdown menu is also highlighted with a green border. The dropdown menu contains the following options: 'Add Item', 'Manage Categories', and 'Manage Items'. The main content area displays 'Welcome back, Admin.' and a notification that 'You have 0 messages.' The background features a dark header with the 'iis ADMIN' logo and 'INTERNET INTERACTIVE SOLUTIONS' text, and a sidebar with a 'Overview' button.

Now click on Create Category

or [Create Showcase Item](#)

Now create a category title. Enter detailed information about the category (this information will only be for the eyes of people with login details). In category settings under Showcase select the **Products showcase**. In Parent Category you always have to **select the None Option**. Now click on **Save button** to save category.

- Product Category 2
- Product Category 1

Sort Order

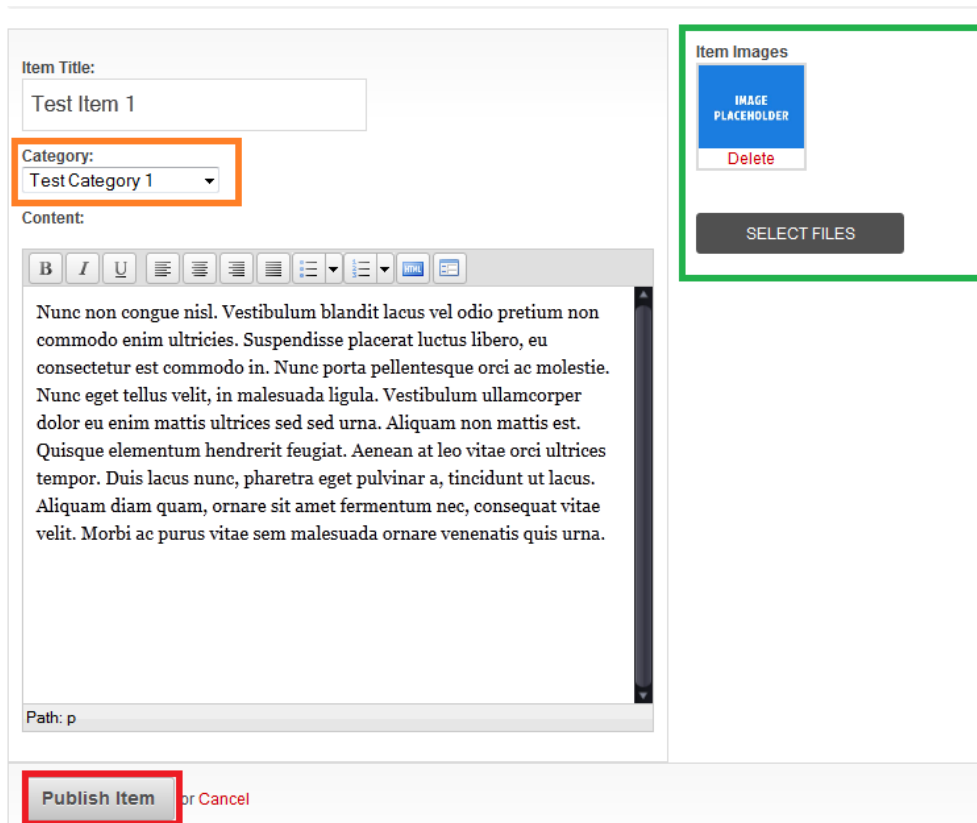

2. Adding Item:

Now Click on **Showcase Manager** in order to open dropdown list and then click on **Add Item**.

Create Item Title. Now **select the category (Products in this case)** you would like the item to be displayed in.

Now you can **add an image** to this item. Once you are done click on the **Publish Item button**.

A screenshot of the item creation form. The form has several sections: 'Item Title' with a text input containing 'Test Item 1'; 'Category' with a dropdown menu showing 'Test Category 1' (highlighted with an orange border); 'Content' with a rich text editor containing placeholder text; 'Item Images' with an 'IMAGE PLACEHOLDER' button (highlighted with a green border), a 'Delete' button, and a 'SELECT FILES' button; and a bottom section with a 'Publish Item' button (highlighted with a red border) and a 'Cancel' button.

3. Editing Item:

Click on the **Showcase manager** to open dropdown list. Now click on **Manage Items** to edit the existing items.

Select the item you would like to edit by clicking on the **Edit button**.

All Items				
TITLE	SHOWCASE	CATEGORY	DATE	
Test Item 1	Products	Test Category 1	15 May 2012	Edit or Delete

Add New

Now you can change anything you would like to on this product. You can also add more images or delete images. Once you are done click on the **Update Item button**.
